ARIZONA WATERCOLOR ASSOCIATION — (AWA)

Del Decil Scholarship History

The Del Decil Scholarship Committee of the Arizona Watercolor Association (AWA) was developed in 2009 by President Diane Parnitzke. Diane appointed a committee Chairwoman, Bettye Aboud and Co-Chairwoman Dolly Maitzen to develop this program. Del Decil was an Arizona Artist who resided in Prescott, Arizona. The AWA was bequeathed \$30,000 from her Estate to be used for awarding Watercolor Art Student Scholarships. Since 2009, the Scholarship Committee continues its development with the purpose of elevating the Fine Art of Watercolor painting to new Student Candidates and Future Artists. By financially assisting Community College or University students who are pursuing a degree, AWA fulfills the purpose of the Scholarship Program. Furthermore, the Artistic development of student skills, techniques and creativity in Watercolor Painting are the specific priorities for selecting Student Candidates for the AWA Scholarship Financial Award. Each calendar year, the Scholarship will be awarded to a worthy full-time student(s) in the selection process of this AWA Student Scholarship Program.

Each spring, Maricopa Community College or College Students will have the opportunity to present their Art Portfolios (*three matted watercolor photos on 2 C.D's (*jpeg images and labels) (*or actual art works) for evaluation critique and review— one C.D. to keep and one to be sent with their Student Application. Three Professional Artists/Art Master Judges will critique and review the Art Works on Artistic Merit, Achievement and Academic (Art) Goals. The Winning Art Student(s) will be honored with a \$1,000 Scholarship to the school of their choice and must be used for tuition/books/art materials within the same school year (fall, spring or summer) of receiving the scholarship.

In 2013, the AWA Board unanimously voted to offer from-one-to-three Scholarships to students attending one of the 10 Maricopa Community Colleges or Universities of Arizona . Highly qualified Art Student candidates will be those who are committed to pursuing a degree in Junior College or University and are enrolled in school full-time during the year of application.
